

Eaton gets IT – in every environment

Classroom solutions

Make classrooms smarter and more efficient with the most comprehensive IT power and connectivity lineup.

A

AV, USB & Copper Cables

Choose from thousands of network and AV cables with the connector types and lengths to support all manner of classroom equipment.

B

UPS systems

Desktop and rackmount UPS systems provide battery backup to equipment during power outages to prevent downtime and protect data.

C

Rolling TV Stands and Carts & TV/Monitor Mounts

Sturdy carts with swivel casters position flat screen displays wherever they are needed and make it easy to share resources between classrooms.

D

Surge protectors

Provide convenient outlets and surge/noise protection for any powered device.

E

Charging stations and carts

Charge, secure and organize up to 36 laptops and tablets. Carts with rolling casters.

F

Wall-mount rack cabinets

Secure and organize IT hardware, rack-mount A/V equipment and other devices while preserving classroom space.

G

PDUs

Deliver reliable AC power to multiple devices. Models with energy monitoring and outlet control capabilities are available.

H

Docks, Hubs & Multiport Adapters

Including HDMI, VGA, DisplayPort, USB, Ethernet and other ports turn a laptop into a dynamic teaching tool.
