

Healthcare solutions

Eaton gets IT –
in every environment

Healthcare solutions

Protect and connect patients and staff with
power and connectivity solutions.

A

UPS Systems

IEC/EN 60601-1 certified medical-grade UPS systems provide battery backup to equipment during power outages and are ideal for use in patient-care vicinities. The built-in isolation transformer offers full isolation while maintaining AC surge protection in all modes.

B

TV/Monitor Wall Mounts

Swivel/tilt wall mounts safely and securely accommodate 25 cm to 178+ cm TVs and monitors.

C

Isolation Transformers

Medical-grade isolation transformers with full CAN/ES/IEC/ EN 60601-1 listing offer line isolation, step-up and step-down capabilities, and continuous noise filtering to protect medical electronic equipment used in patient-care vicinities.

D

Wall-Mount Rack Cabinets

Secure and organize IT hardware, rack-mount A/V equipment and other devices while preserving space.

E

Desktop Charging Stations

Keep up to 10 tablets, iPads and e-readers secured and charged in a desktop charging station.

F

Power Inverter / Chargers

IEC/EN 60601-1 certified mobile power solutions keep hospital cart equipment running with up to 350W AC power, both inside and outside patient care vicinities.
