

Retail solutions

Eaton gets IT – in every environment

Retail solutions

Reinvent your retail space with high-speed connectivity solutions and safe, reliable power protection.

A

Wall-mount racks

Secure and organize up to 26U of IT hardware, rack-mount A/V equipment and other devices while preserving back office space.

B

Display mounts

Mount flat-screen displays and tablets on a wall. Floor stand and desktop tablet mounts are also available.

C

Surge protectors

Safeguard electronics against surges, spikes and line noise. USB charging options available.

D

UPS systems

Provide battery backup to prevent downtime. Networked UPSs can reboot unresponsive devices automatically.

E

WAP Enclosures

Keep wireless access points discreet and protected against theft, damage and tampering. NEMA 4 models mount outdoors.

F

Charging stations

Charge, secure and organize up to 36 Smartphones, tablets or laptops in a conveniently mobile cart or desktop stationary cabinet.

G

PDU

Deliver reliable AC power to multiple devices. Models with energy monitoring and outlet control capabilities are available.

H

AV Extenders

Extend an Audio, Video or USB signal from the back office to a screen in the front office, customer space or production area. PoE models available.

I

Audio/Video Cabling

Connect up to 8K video and audio sources to HDTVs and other displays.

J

Ethernet cabling

Connect network equipment with up to 40G speeds and shielding, slim design and snagless connector options.
