

Work from anywhere solutions

Eaton gets IT –
in every environment

Work from anywhere solutions

Optimize your workplace,
no matter where it is.

A

UPS Systems

Provide power protection and battery back-up to internet router, gaming console, computer and peripherals

B

Docks, Hubs & Multiport Adapters

Expand functionality by adding audio/video, data and network ports to laptops and other devices.

C

Surge protectors

Provide convenient outlets with robust surge/noise protection. Power strips also available.

D

Desktop USB & Wireless Chargers

Power and charge mobile devices at home, in the office or on the go. Charging cables also available.

E

Cables and connectivity

Choose from network, AV and USB cables, adapters and more.

F

Height-Adjustable Workstations

Transforms your desk space into an ergonomic working environment without modifying the surface.

G

Display mounts

Secure and optimize displays, devices and workspaces.

H

Desktop KVM switches

Control multiple PCs from a single keyboard, monitor and mouse.
