

EU REACH Compliance Statement

REACH (“Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)”) is the new European Union (EU) chemical regulation that became effective on June 1, 2007, with phased deadlines through 2018. Avid supports the overall REACH goals of protecting human health and the environment. Avid plans to comply with all applicable REACH requirements as they become effective and to provide its customers the information regarding substances used in its products in accordance with such requirements.
