

Ergotron®

Glide Wall Mount HD

Highlights

- Lift, lower and tilt for the perfect picture and comfortable viewing
- Display/TV moves with only a light touch with patented CF Technology
- Discreet mounting hardware nearly disappears
- Raise TV during standing activities
- Display/TV stays close to the wall, out of the way (depth 2" / 5 cm)
- Lift n' Lock™ for quick installation
- Easy to use – simple installation and effortless operation
- Ratchet-free tilting

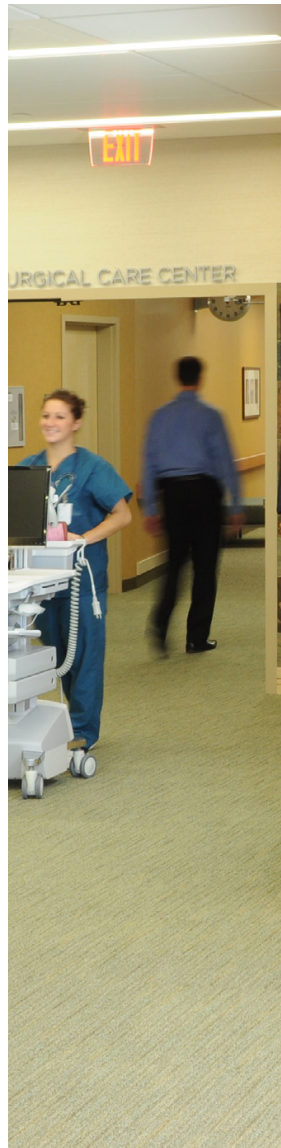

Raise and lower your TV or large display effortlessly 18" (45,7 cm) and tilt the screen to avoid glare. This revolutionary design hides behind your TV or display while delivering unprecedented height adjustability with only a light touch. Move it down to watch from a seated position or move it up for standing viewing.
