TIME TO SCALE YOUR BUSINESS WITH LENOVO

Lenovo

It's never been more convenient to offer a hyperconverged solution to your customers: **Scale HC3 EDGE based on Lenovo HW platform.**

Get a whopping **25% off** the license value for any of the solutions below when ordering before 31st December 2020.

- Scale Computing HC3 Edge ST250
- Scale Computing HC3 Edge SR250
- Scale Computing HC3 Edge SR630
- Scale Computing HC3 Edge SR650

Scale Computing HC3 on Lenovo ThinkSystem Servers is the leader in edge computing, virtualization, and hyperconverged solution innovation. The solution is:

- ☑ **Easy to Use**
- ☑ **Highly Available**
- ☑ **Affordable**
- ☑ **Highest Ranked at Gartner Peer Review**

Scale computing HC3 is the ideal infrastructure solution for:

- ☑ **Small to Medium Businesses**
- ☑ **Edge Computing/Distributed Enterprise**
- ☑ **Future-Ready Store Infrastructure**

"We evaluated over a dozen solutions. The Lenovo/Scale Computing HC3 system we selected delivered the stability, support and simplicity we needed, and gave us a platform for the future. The solution outclassed all competition on TCO and simplicity.

Since deploying Lenovo/Scale to our 800 stores in March of 2018, we have had zero minutes of downtime in any store. Secondly, our network problems reduced with 70%."

Rolf Vanden Eynde

Head of Infrastructure Innovation Planning, Delhaize (Part of the Ahold Delhaize Group)

THIS 25% OFF PROMOTION IS VALID FOR ALL EMEA LENOVO RESELLERS WHO MEET THE ELIGIBILITY CRITERIA BETWEEN 1ST MAY TO 31ST DECEMBER 2020.
