For a limited time and under limited availability on a ‘first come, first served’ basis, eligible Lenovo Resellers may earn a cashback bonus when they purchase the following products from Lenovo Distributors:

- Eligible Lenovo Top Choice ThinkSystem Servers with Intel® Xeon® Scalable Processors together with
- Lenovo Windows Server 2019 Essentials Edition or Windows Server 2019 Standard Edition

- The ThinkSystem Bundle Bonus promotion is managed by Lenovo, with Distributors acting as payment agents on behalf of Lenovo.

- **Program Period and Validity:**

- Valid for products purchased from Lenovo Distributors in EMEA between April 1st and June 30th 2020.
- Distributor invoices must be dated between April 1st and June 30th 2020.
- This incentive is open to **all eligible Lenovo Resellers in EMEA** (see eligible countries list on page 8).
- Lenovo reserves the right to modify or withdraw this program at any time.

Detailed Cash Back Amounts and Attainment Examples

Cashback eligibility is determined and calculated per Distributor invoice – all required bundle elements must show the same invoice number in the relevant Lenovo sales out reports.

- Server(s) + ROK(s) must have the same invoice number.
- 1 Server + 1 ROK = 1 Award
- If the # of eligible Windows Server ROK licenses exceeds the # of eligible Servers on a distributor invoice, the SKUs with the higher cashback reward (e.g. SR650 + Windows Server 2019 Standard) will be used first to calculate the total cashback (see examples 3-5)

Example	# of eligible Servers	Windows Server ROKs	Total Cashback (in USD)
1)	3x ST50	4x Windows Server 2019 Essentials	150 USD (3x 50 USD)
2)	4x ST50	3x Windows Server 2019 Essentials	150 USD (3x 50 USD)
