Elevate Accelerators

Data Center Elevate Program

Authorized Partner

Lenovo

Accelerators throughout the year will help you exceed your target easier and earn bigger rebates.

How does it work?

Lenovo will automatically calculate and double your achieved sales for accelerated products to help you meet the program target and earn the highest possible reward.

Windows Server

MICROSOFT SOFTWARE ACCELERATOR

Double your revenue value for all Windows Server & Microsoft SQL Server ROKs and related CALs (1 USD sales out revenue = 2 USD target towards your target achievement).

ThinkSystem

LENOVO THINKSYSTEM DE & DM STORAGE

Accelerate, optimize and protect your customer data with our impressive ThinkSystem DE & DM Series portfolio and double your Elevate revenue (1 USD sales out revenue = 2 USD target towards your target achievement)

FAQs

- Do I have to register in the Elevate program every quarter?
 - Yes, as DCG Authorized Partner you will be provided by the new sales target for the eligible quarterly period. You must accept the program terms and your target each quarter to participate in the program.
- When will I get my rebate?
 - After each quarterly period, typically within 4 weeks, Lenovo will reconcile all sales and email you your final Elevate rebate value to open the claim submission period. You have 30 days to submit your invoice for the total rebate amount from the date of the rebate notification.
- Why do I need to select my Distributor?
 - While selecting your preferred distributor is optional, Lenovo strongly recommends to choose one in order to receive the best possible support in terms of DCG product portfolio, sales and technical guidance or the latest DCG promotions.
- I need help with Elevate program, who do I contact?
 - Primary source of any information related to Elevate will be either your distributor or your local Lenovo DCG representative. For any Elevate technical queries, please use Contact Us form or contactus@lenovoelevate.com

thanks.
