

Competitive Trade-in: Sophos Firewall and XGS

100% off XGS Series hardware when ordered with a minimum 3-year term for Xstream Protection

[Valid until March 31, 2022]

Provide an attractive incentive for your customers to replace their existing competitive firewall with a new XGS Series hardware appliance. Sophos Firewall and the new XGS Series hardware give your customers the very best in protection and performance and pave the way for new business opportunities for you within the Sophos Adaptive Cybersecurity Ecosystem.

This offer is valid for customers who are completely new to Sophos and for existing customers with other Sophos products, but who don't yet own a Sophos firewall of any kind.

THE BENEFITS:

- **Powerful Protection and Performance:** Sophos Firewall's Xstream architecture provides protection from the latest threats whilst accelerating important cloud, SaaS and other app traffic. The dual-processor XGS Series models include a dedicated hardware FastPath for trusted traffic, freeing up resources for important deep packet and TLS inspection for the traffic that needs it.
- **Xstream Protection:** A single license bundle for advanced protection with Network, Web and Zero-Day Protection plus the new Central Orchestration module for SD-WAN VPN orchestration* and a 30-day Central Reporting Advanced data retention period. Rounded out with Enhanced support, this bundle has everything your customer needs with no hidden costs.
- **XDR-Ready:** Extend your threat intelligence beyond your firewall data with Sophos Extended Detection and Response (XDR). Works in combination with other Sophos products which are licensed separately. See sophos.com/xdr for further details.

*Expected soon. Requires SFOS 18.5 MR1

Terms and Conditions (“Promotion”)

- This promotional offer is valid for the period from July 1, 2021, through March 31, 2022 (“Promotion Period”) unless otherwise determined by Sophos.
- This Promotion is a limited time offer only available through participating Partners that are a current member of the Sophos partner program, are in good standing and located in the following region:
 - **Region:** Austria, Germany and Switzerland

The Promotion:

- **Competitive Trade-In: Buy an XGS Series hardware appliance together with at least 3 years of Xstream Protection and get a 100% discount on the hardware.**

To be eligible for the Promotion:

- The purchase order must include an XGS Series hardware appliance and an Xstream Protection subscription for that appliance model with a minimum term of 3 years. Please note that XGS 87 and XGS 87w hardware purchases are not eligible for this Promotion.
- The order must be for a single new firewall customer. Existing Sophos Firewall (formerly XG Firewall), Sophos UTM customers and renewals are explicitly excluded from this Promotion. However, existing Sophos customers who do not yet own a Sophos firewall of any type are eligible to participate.
- Sophos reserves the right to validate the ownership of the competitive firewall being replaced by the purchase of the XGS Series hardware under this Promotion and may at its sole discretion request proof of ownership by end customers in the form of an invoice, serial number or such other similar information or documentation Sophos deems appropriate.
- This Promotion may not be combined with other Sophos promotional offers and may not be used in combination with additional discretionary discounting.
- This Promotion must be applied at the time of purchase and cannot be retrospectively applied to previous orders or transactions.
- Deal registration is not a requirement for this Promotion.

- The Partner organization and participants in this Promotion must comply with all applicable anti-bribery and anti-corruption laws and the Sophos policy <https://www.sophos.com/en-us/legal/sophos-antibribery-policy.aspx> at all times.
- Sophos may, in its sole discretion, disqualify any participant from this Promotion, and modify, suspend, or terminate this Promotion, in whole or in part, at any time and for any reason. In the event of any disputes concerning this Promotion or these terms and conditions, the decision of Sophos will be final.
- This Promotion is void where prohibited by law, and subject to applicable laws and regulations. Participants agree that Sophos will not be liable for any loss or damage arising from this Promotion.
- Partners that participate in this Promotion are solely responsible for declaring such promotions and paying any applicable taxes and fees.
- The participating Partner has the exclusive right to determine the prices charged for all Sophos products and services. This Promotion is only valid for orders placed directly through Sophos distributors.
- Privacy: Sophos will use the personal details of the participant to conduct this action. You may also use the data in accordance with our Sophos Group Privacy Policy, which is available at the following URL: <https://www.sophos.com/en-us/legal/sophos-group-privacy-policy.aspx>
- This promotion shall be governed in accordance with German law for partners in Germany and Austria and Swiss law for partners in Switzerland.
