INCLUDED ACCESSORY

Soft carrying case

PORTABLE PC SPEAKERPHONE FOR INSTANT ANYWHERE CONFERENCING

Manage calls — anywhere — with plug-and-play convenience. The compact speakerphone integrates with leading softphones to easily manage calls and set up small informal conferences. Single-touch controls include call answer/end, volume adjust, and mute. Compatibility with a Kensington® style lock feature boosts security when deployed in small/medium work areas and shared conference rooms. With crisp wideband audio and full-duplex 360-degree microphone pick up, enjoy business-quality sound for everyone on the call. And when not in use, simply stow in its carrying case and tuck into a laptop bag or backpack.

DESIGNED FOR EASE OF USE AND PORTABILITY

- Simplified call management with an easy interface
- Ideal for team calls in small and medium-sized work areas
- Compact design goes anywhere with included soft carrying case

UNCOMPROMISING AUDIO QUALITY

- Digital Signal Processing (DSP) provides natural voice sound and echo reduction
- Improves meeting productivity by reducing echo, cut-outs, and background noise
- Full duplex, conference quality audio with 360-degree room coverage
- Wideband audio for high-quality PC telephony
