Supports Thunderbolt™ 3 + USB-C™ (power & video)

EliteBook 1040 G4

The World's most powerful ultraslim 14-inch business notebook accelerates your day-to-day, and makes even your hardest tasks a breeze—with powerful multitasking, on-the-go collaboration, and industry-leading security.

Why HP

- World's most powerful ultraslim 14" business notebook.
- Up to 18 hrs of battery life. HP Fast Charge and optional WWAN.
- HP PhoneWise to route calls and text on your PC
- Ultra-bright (700 nit) display with HP Sure View, the world's only integrated privacy screen.
- Multiple docking options supporting USB-C™ and Thunderbolt™ connectivity.

Why transition

- Supercharge your productivity with the world's most powerful ultraslim 14-inch business notebook and the world's fastest docking solution, Thunderbolt™ 3. Also supports USB-C™ docking solutions.

Elite 90W TB3
Dedicated workspaces (1:1)

Highest speeds, high video resolution

0.5 meter cable, only compatible with TB PC's

USB-C™ Dock G4
Dedicated workspaces (1:1)

Pass-through video, least expensive, dock/charge with single USB-C™ cable, network manageability, powers NB without opening lid

Only works on PC's with DP over USB-C™ alt mode

USB-C™ Universal Dock
Shared workspaces (1:many)

Universal dock can be used on virtually any notebook, dual 4k or single 5k display, network manageability

All features driven by USB (NIC, DisplayLink, audio) requiring drivers

Thunderbolt™ Dock 120W G2
Dedicated workspaces (1:1),
Shared workspaces (1:many)

Maximum performance docking for the future. Connect to any notebook with USB-C™ Alt-mode or TB. Ultra-fast speeds, high video resolution and network manageability
