

Powerful notebook value.

Scalable performance. Optimized for collaboration.

Powered by the 6th Generation Intel® Core™ i processors with vPro™ technology, the ThinkPad® L460 and L560 deliver the performance of a desktop computer while offering the mobility of a notebook. Its rugged design, enhanced collaborative features and enterprise-level security let you stay productive anywhere for up to 12.5 hours on a single charge. With their affordable price tags, the L460 and L560 are ideal for today's demanding business landscape.

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD® L460 / L560 NOTEBOOK

Scalable performance

Now or later, you can easily upgrade up to 32 GB memory – helping you future-proof your L460 or L560 against software upgrades.

Durably designed for maximum productivity

The rugged design withstands the stresses of travel and can withstand 200 ml water drop test – preventing minor mishaps from becoming costly downtime.

Optimized for collaboration

Microsoft Skype™ Certified VoIP system allows for teleconferences with exceptional sound even in noisy environments such as airports.

Enterprise security features

Easy-to-use Fingerprint And Trusted Platform Module (TPM) offer enhanced levels of security to meet the most demanding requirements.

THE LENOVO™ THINKPAD® L460 / L560 NOTEBOOK ARE BEST SUITED FOR

1 Businesses seeking the best value in a mobile desktop with fully scalable performance and comprehensive features.

2 Road warriors that need high-performance notebook with all-day battery life and features for easy collaboration and connectivity.

3 Businesses and individuals seeking a powerful notebook that won't break the bank, ideal for large-scale deployments.

WHAT'S IN A THINKPAD®

- 1 The gold standard in reliability since 1992
- 2 Premium materials and layers of reinforcement
- 3 Award winning ergonomic keyboard
- 4 Form factors for all needs
- 5 Purposeful design details

RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment. Succeed with substance and let Lenovo's Service support you all the way.

PRIORITY TECHNICAL SUPPORT⁴

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking and escalation management services.

WARRANTY UPGRADES - ONSITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business.

WARRANTY EXTENSIONS (UP TO 5 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION⁴

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.

⁴ Not available in all regions.
