

LENOVO DE STORAGE SSD FOR FREE:

Buy 1 controller and 3xSSDs and get the 4th one for free!

The Lenovo DE Series sets the standard for price and efficiency, delivering secure, high performance block storage for fast access to data and rapid response from applications. Plus, there are a wide range of options to tailor to every need!

With the Lenovo DE ThinkSystem Series, Your Clients Will Get:

- Outstanding performance to support Big Data/analytics, video surveillance, technical computing, and backup & recovery
- Advanced protection guards against data loss and downtime events, both locally and long distance
- Simply and effortlessly install and administer using powerful on-box, web-based management system
- Delivers high reliability and up to “six-9s” of availability

Adding SSDs to Your DE Series Storage Can Dramatically Improve Performance. Compared to HDDs, SSDs are;

- Faster
- Use less power
- More reliable

Recent improvements in price and performance mean SSDs are becoming mainstream. Include them to make the most of your storage investment.
