E24c+

24 Device Economy Charging Solution
for Tablets, Laptops and Chromebooks

Efficient, Effortless, Economical

Looking for a simple purpose-built charging cart that can store and charge classroom devices without breaking the bank? Say hello to the E24c+, AVer's latest budget-friendly charging solution perfect for effortless classroom device management.

AC Charger

10 Years
Mechanical Warranty

5 Years
Electrical Warranty

" AVer has great products for education... the AVer cart features, availability and price-point met our needs... the external frame is well built and great for transporting the carts across campus. "

*- San Marino Unified School District, Carver Elementary School,
Jason Powert, Computer Lab Coordinator*

Easy on the Checkbook

Quality device management does not have to equate to big spending. E24c+ provides all your charging needs at a fraction of the cost.

SAVE MONEY

One Cart Fits All

The E24c+ easily fits 24 laptops, Chromebooks and tablets with screens up to 15.6". Need to charge your own laptop too? No problem, just plug it in.

Maneuver with Finesse

E24c+'s compact design and 5" swivel casters make it easier to transport devices and provide a smooth mobile experience even in the most crowded corridors or smallest spaces.

Clear-Cut Power and Cable Management

Devices are easily cabled and fully charged free of any setup or electrical overload! Simply connect the E24c+ to an outlet and it will automatically and safely circulate power throughout each layer of devices.

Sleek and Classy

Delivering internal storage large enough to store 24 devices, yet equipped with a sleek external design to fit in even the most confined areas. Ideal for classrooms tight on space!
