POLY STUDIO EXPANSION MICROPHONE

Tabletop expansion microphone for the Poly Studio X70, Poly Studio X50, and Poly Studio USB.

- Expand audio coverage in large rooms with a high-quality tabletop microphone.
- Designed with three (3) directional microphones for 360-degree audio coverage.
- Built to automatically level voices and suppress distractions, so that everyone is always heard clearly.
- Convenient mute button lets those at the far end of the table control the audio.
